Re: Invitation to InnoTrans 2022

We kindly invite you to visit our booth at [InnoTrans 2022](#) - one of the biggest international trade fairs for transport technology; where we feature our 3D Laser level-crossing obstacle detection system.

- Date : 20<sup>th</sup> – 23<sup>rd</sup>, September 2022
- Venue : Messe Berlin GmbH, ExpoCenter City, Messedamm 22, D-14055 Berlin
- IHI Stand number : 350 at Hall 5.2

As a proven level-crossing safety system, we have installed more than 2,800 units across continents. Find out in person how our system ensures safe railway operation and why customers choose us.

Our booth will showcase a full-size mock-up of our level-crossing obstacle detection system as well as an exclusive meeting room for private discussions.
