## Invitation for joining “EcoVadis” and Sharing its Score with the IHI Group

Dear Valued Partners;

As the IHI Group, we have selected “EcoVadis”, a renowned sustainability assessment body, as our partner to establish more solid sustainable supply chain. In the context of this, let us ask you if you could participate the service operated by EcoVadis (hereinafter referred to as "the service"), and share the score provided by EcoVadis (hereinafter referred to as "the score") with us.

“The service” enables you to:

- 1) Understand your status quo about ESG management quantitatively with “the score” and receive some advice for further leap,
- 2) Expand business opportunity through disclosing “the score” to your existing and/or potential customers, appealing you are proactive for ESG management, and
- 3) Earn more efficient and specific support from us for your further improvement by sharing “the score” with us.

Rest assured your response or decision to this letter never affects existing transactions, yet we would be more than happy if you could decide joining “the service” and sharing “the score” with us.
