2. The requirement to resolve the item is a majority affirmative voting rights of the shareholders present at the meeting where the shareholders holding one third or more of the voting rights of shareholders who are entitled to exercise their voting rights are present.

4. Reason for not including part of the number of the voting rights that were exercised by the shareholders who attended the shareholders' meeting

As a result of adding up the number of the voting rights exercised in advance and that of some attending shareholders on the day whose voting rights could be confirmed to be for or against each proposal, the requirements for passing each proposal were satisfied, and the resolution was passed lawfully in accordance with the Companies Act. Therefore, the part of the number of the voting rights that were exercised by shareholders who attended on the day whose voting rights could not be confirmed to be for, against or abstention, is not included.
