Headstock

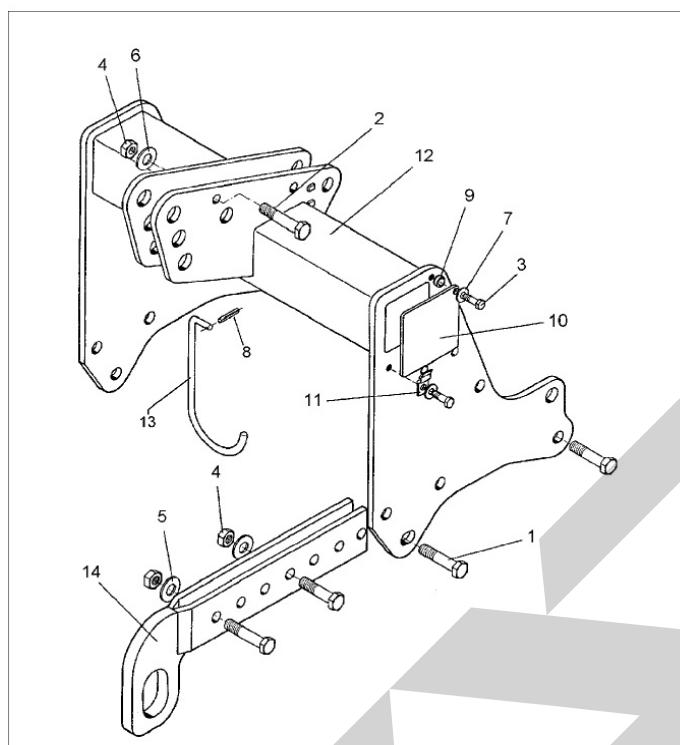

This diagram shows an exploded view of a mechanical assembly. The components are labeled with numbers 1 through 17. The assembly includes a main vertical plate (1), a horizontal arm (14), and a base plate (15). A long, narrow component (3) is shown at the bottom, and a curved component (10) is shown on the left. A small rectangular component (17) is shown on the right. The diagram illustrates the relative positions and assembly sequence of these parts, with callouts indicating specific fasteners and mounting points.
