

## Next generation Low Pressure Carburizing (LPC) with oil quench

- Work zone : from 910mm W × 910mm H × 1,220mm L  
up to 1,000mm W × 1,000mm H × 1,500mm L
- Capacity : 1,500kg
- Faster transfer system for high-speed quench
- Smaller distortion mechanism
